The State of Andhra Pradesh: a South Indian state, lies between 12°41' and 22°N latitude and 77° and 84°40'E longitude . It is bounded by Maharashtra, Chhattisgarh and Orissa in the north, the Bay of Bengal in the east, Tamil Nadu to the south and Karnataka to the west. Andhra Pradesh is the fifth largest state in India and it forms the major link between the north and the south of India. It is the biggest and most populous state in the south of India. It is considered the rice bowl of India. The state is crisscrossed by two major rivers, the Godavari and Krishna.

Telugu is the state's official language. Among the many tribal languages, Banjara, Koyi, and Gondi have the greatest number of speakers. The state has a rich cultural heritage. The great composers of carnatic music Annamacharya, Tyagaraja and many others chose Telugu as their language of composition, thus enriching the language. Nannayya, Tikkana, and Yerrapragada form the trinity who translated the great epic Mahabharatha into Telugu. Modern writers include Jnanpeeth award winners Sri Viswanatha Satyanarayana and Dr. C. Narayana Reddy. Kuchipudi is the state's classical dance form. Andhras have been film maniacs for the past 40 years. The state produces about 200 films per year. Thus Telugu film is a big industry in terms of money, but has hardly gained any notice in the rest of India. Bahubali is one among the mega movie from Andhra Pradesh. The state has seen some notable artists in the form of NT Rama Rao (former chief minister), Akkineni Nageswara Rao (a.k.a. "ANR", Dadasaheb phalke winner), S.V.Ranga Rao, Ghantasala, Dr. K. Viswanath, S P Balasubrahmanyam, Savithri, Jamuna, Sarada, Sowcar Janaki, and Jayaprada.
